Final provisions

The application questions form an integral part of the policy.

If in the course of the insurance coverage, any important stated fact changes, and if such change results in a material increase in risk, you must notify Zurich immediately in writing of this change. The insurance shall then also extend to cover the increase in risk, unless Zurich terminates the contract within 14 days of receipt of the notice. If you fail to notify Zurich of the increase in risk, Zurich shall no longer be bound by the contract.
